- 11.** To help secure your Google Account, Google will send you a code by text. Please type your phone number in this box and then press the NEXT button

The screenshot shows the Google account verification interface. At the top is the Google logo. Below it is the heading "Verify your phone number". A sub-heading reads: "For your security, Google wants to make sure it's really you. Google will send a text message with a 6-digit verification code. *Standard rates apply*". There is a dropdown menu for the country, currently set to the United States, and a text input field containing the phone number "7081234567". Below the input field are two buttons: "Back" on the left and "Next" on the right. To the right of the input field is an illustration of a blue shield with a white padlock, a red balloon, a laptop, a smartphone, and a birthday cake. At the bottom right, it says "Your personal info is private & safe". An orange arrow points from the text above to the "Next" button.
